Learn More About Your Interests * Check out IGTV for longer videos from your favorite creators. * Get inspired by photos and videos from new accounts in Explore. * Discover brands and small businesses, and shop products that are relevant to your personal style. Frequently Asked Questions Yes, Etagge only distributes applications & games that are free (Freeware) and legal, in the sense that they are not (pirated) the result of cracks, patches or the like. Yes, Etagge always scans with 3 types of Antivirus (Kaspersky, AVG & Avast) before publishing an application or game, so it can be guaranteed to be 100% free of viruses. Even though they are distributed for free, there are some applications & games that are shared on a Shareware basis, in the sense that they can only be used for a certain period of time and if you want to continue using them you have to buy the original license.
